ABOUT ME

Frontend Developer adept in HTML, CSS, Bootstrap, and JavaScript, with a passion for creating seamless and visually stunning user interfaces. Experienced in turning design concepts into elegant, responsive web solutions. Eager to contribute my skills to innovative projects and collaborate with dynamic teams.

COURSE

Frontend Development

Dec 2022 – Feb 2023

Async Training Institute

I have successfully completed an intensive Frontend Development course at Async Training Institute, where I acquired proficiency in essential technologies such as HTML, CSS, Bootstrap, and JavaScript.

EXPERIENCE

Frontend Developer

Individual

One Year of Experience, Proficient in HTML, CSS, and Bootstrap for creating responsive and visually appealing web interfaces.

Frontend Developer – Internship

Aug 2023 – Oct 2023

Eziline Software House

I successfully completed a 2-month Frontend Development internship at Eziline Software House. During this time, I actively applied my knowledge of HTML, CSS, Bootstrap, and JavaScript to real-world projects. This hands-on experience allowed me to refine my skills in crafting interactive and visually appealing user interfaces. I am now eager to bring this practical experience and enthusiasm for frontend development to new challenges and projects.
